Suffolk County Legislator Tom Barraga (R-West Islip) recently attended a holiday lunchtime choir event at the MacArthur Airport in Islip. The airport has recently invited school groups to sing in the atrium of the airport so that customers of the airport can enjoy the entertainment as

they check in and wait for their flights. Other events include book signings and flash mobs to mention a few of the exciting new groups and individuals that have been brought in to entertain.

In addition, on December 26th the Long Island News Radio Station 103.9FM launched in a former office near the baggage claim in the airport. The 24 hour all-talk format features traffic, news, sport and talk shows, the new station will focus on all of the Long Island. Legislator Barraga has been a recent guest on air of talk show host John Gomez.

Taste NY has also opened up at store in the Airport featuring an array of New York's food and beverage products.
